POST GRADUATE DIPLOMA IN INTELLECTUAL PROPERTY RIGHTS & PATENT MANAGEMENT

Starting Saturday, August 8, 2026

As the first of its kind in India, this Post Graduate Diploma program has provided, since 2007, comprehensive training in IP and patent law for engineers and scientists. The Post Graduate Diploma 2026 has been comprehensively revised to include:

- A revamped 12-month postgraduate programme
- Online weekend Learning Platform
- Industry-Driven Curriculum to include current topics like AI in IP Practice, IP for Startups & MSMEs and more
- Structured in-person Bootcamps
- Formal Mentorship Framework
- Flexible Learning Paths

About GIIP

Co-headquartered in New Delhi, India, and San Jose, USA, the Global Institute of Intellectual Property (GIIP) is a specialized training institution established to equip science, engineering, and technical professionals with practical, hands-on skills for careers as patent practitioners.

Founded by IP practitioners, attorneys, and entrepreneurs, GIIP focuses on:

- International patent systems and procedures
- Industry-relevant skill development
- Preparing professionals for global IP roles

Why PGD in IP

Globalisation and the rise of innovation-driven industries has increased the demand for skilled IP professionals. However:

- Many organisations still lack in-house IP expertise
- Global IP systems are complex and inconsistent
- Technical graduates often lack structured entry into this field

To address this need GIIP has put together highly specialized programs to be conducted by international and Indian IP Attorneys, Patent Agents & experts, to provide comprehensive knowledge in the business, technical and legal aspects of Intellectual Property Rights.

This programme is designed to bridge that gap through integrated technical, legal, and business training in IP.

Programme Overview

Highlight	Details
Duration	10 months programme + 2 months internship
Delivery	Online weekend sessions + In-person bootcamps
Total Learning hours	~ 250 hours (Certificate) ~ 405 hours (Diploma)
Faculty	Indian + International (US, Europe)
Batch size	~30 students
Mentorship	Groups of 3-5 participants with dedicated Industry & Faculty mentors
Location (Bootcamps)	New Delhi & Bangalore
Admission	By selection committee

One Program - Two Pathways

	Certificate Course	Post Graduate Diploma
Duration	6 months	10 + 2 months internship
Bootcamps included	1 and 2	1, 2 and 3
Total contact hours	~250 hours	~405 hours
IP Hackathon	Bootcamp 2 - Basic level	Bootcamps 2 and 3
Patent Agent Exam	Foundation preparation	Full preparatory coverage
Internship	Not included	2 months supervised internship
Qualification	Certificate of Completion + Marksheet	Post Graduate Diploma + Marksheet
Outcomes	<ul style="list-style-type: none"> • Internship-ready • Suitable for entry-level IP roles 	<ul style="list-style-type: none"> • Entry-level roles in: <ul style="list-style-type: none"> ◦ IP firms ◦ In-house IP teams ◦ R&D organisations • 2-month internship

Curriculum

The PG Diploma curriculum is tailored to meet the dynamic industry requirements as well as the needs of aspiring professionals. It includes up-to-date education in US, European and Indian Patent and IP laws and procedures and is designed and delivered by outstanding professionals with rich teaching, research, industry and consulting experience.

GIIP has evolved a comprehensive form of transferring knowledge from overseas to India. It has state-of-the-art facilities, well supported by audio-visual aids and other training tools and processes. Some distinctive methods of training at GIIP include:

- A unique system of online lectures delivered through professional learning management platform combined with intensive classroom sessions.
- Intensive sessions experienced instructors and IP practitioners from across the globe.
- Mentoring sessions: Individual guidance from IP practitioners and experts, specific to the technical field of the participants.
- Illustrations and case study methods: The emphasis of the program is to provide hands-on experience.
- Interactive sessions with industry experts, instructors and peer groups.

<ul style="list-style-type: none">• Fundamentals of IP (Trademarks, Copyright, Designs, GI)• Patent Law (India, US, Europe, PCT)• Patent Search & Landscape Analysis• Filing Procedures (India & International)• Drafting (Claims & Specifications)• Patent Prosecution• Licensing, Valuation & IP Management• Patent Agent Exam Preparation	<ul style="list-style-type: none">• Ethics in IP Practice• Law Firm Workflows & Docketing• AI in IP Practice (Responsible Use)• AI & Authorship (Legal Aspects)• Practical Tools & Platforms (hands-on)• IP for Startups & MSMEs

Industry Firsts

Bootcamp Structure

Three in-person intensives at GIIP Campus, New Delhi & Bangalore. Five days each.

	Bootcamp 1	Bootcamp 2	Bootcamp 3
When	Month 3	Month 6	Month 10
Who can attend	All students	All students	<i>Diploma track only</i>
Focus areas	<ul style="list-style-type: none"> • Patent search sprint • Landscape analysis • Tool-based assessment 	<ul style="list-style-type: none"> • Filing simulation • Workflow training • IP Hackathon (certificate level) 	<ul style="list-style-type: none"> • Drafting & prosecution simulation • Advanced hackathon • Industry networking
Networking	--	--	Senior industry

Note: Travel, Lodging and Boarding expenses are to be borne by the participant

Industry Mentorship Model

For the first time ever, a structured Industry Mentorship model that ensures continuous practical feedback and hand holding throughout programme. Each student is part of a small group (5-6 members). Every group is assigned:

- *1 Industry Mentor*
- *1 Faculty Mentor*

	Industry Mentor	Faculty Mentor
Who	Practicing IP Professional	Core faculty member assigned from programme start.
Role	Professional guidance, practical perspective. Participates in hackathons & evaluations	Academic continuity and support. Primary contact when industry mentor is unavailable.

Student Profile & Selection Criteria

Who Should Apply

Primary:

- B.Tech / B.E. (Mechanical, Electrical, CS, Biotech, Chemical)
- M.Sc / B.Sc (Chemistry, Life Sciences, Physics)

Secondary:

- Early professionals (2-4 years in R&D / product roles)
- Law graduates with science background

Selection Process

Admissions are approved by a Selection Committee based on:

- Academic background
- Technical domain knowledge
- Professional intent

Course Progression

All participants begin together.

At the 6-month stage:

- Performance is evaluated
- Only qualifying candidates continue to the Diploma stage
- Others graduate with a Certificate

Assessment & Placements

Continuous Assessment model

Assessment is continuous across the programme. The diploma and certificate are issued only on successful completion of all evaluations.

- Module-wise online assessments
- Bootcamp-based project evaluation
- Final review at 6 months (selection stage)

Placement Support

GIIP supports all diploma participants in securing career opportunities in renowned organizations (in India & abroad). Our program graduates find roles across top tier Corporates, MNCs, Law Firms, KPO/LPO, R&D organisations. Common roles include: Patent Engineers, IP Analyst, IP Associate.

Course Fee

Rs. 2,55,000/- + GST for Diploma Course

Rupees Two Lac Fifty-Five Thousand only

Rs. 1,50,000/- + GST for Certificate Course

Rupees One Lac Fifty Thousand only

- *5% discount for down payment (one time)*
- *Option to pay in two instalments*

Application Details

Scan the QR code on this page and fill in the Expression of Interest form. Your application form will be evaluated by the GIIP Selection Committee for assessing eligibility.
